

Outstanding WA PES/PELS Engineer 2019- Nominations Invited

PES or PELS IEEE membership (mandatory).

Nominations are invited for the 2019 Chapter Outstanding Engineer Award. This award is organized by the IEEE joint Power and Energy Society & Power Electronics Society Western Australia Chapter. It recognizes the outstanding contributions of a local engineer to the power engineering profession.

The winner will be selected according to the following criteria:

- Outstanding technical contributions to the power & energy and/or power electronics profession.
- Outstanding professional and leadership contributions to the power & energy and/or power electronics profession.
- Significant contributions to the local community representing the power & energy and/or power electronics profession.
- Outstanding contributions in the area of power & energy and/or power electronics education.
- Service to the Power & Energy Society and/or Power Electronics Society and/or IEEE.

The achievements can be from the 2019 year and/or for a longer sustained period of achievement.

In addition to receiving an IEEE plaque the recipient of the award will be nominated for other IEEE Awards at regional and society level by the Western Australian Chapter.

Nominations citing the candidate's contributions can be made in writing* and sent to the following committee member:

S M Muyeen: s.m.muyeen@ieee.org;
sm.muyeen@curtin.edu.au

Further Information: S M Muyeen 0420 212 114

*up to 2 pages and this may be expanded if the nomination progresses to regional and/or society level. Self or proposer nominations are permitted.

Closing Date: **20 December 2019**
