

Invites you to watch a documentary about the

DARPA Grand Challenge

Venue: Curtin University
Engineering Pavilion (Building 215)

Date: Tuesday, 17th July, 2012

Time: 17:00 hrs

Light refreshments and
conversation afterwards

Abstract: In 2005 twenty-three bizarre looking vehicles lined up at the starting gate of the DARPA Grand Challenge with one thing in common: there 's nobody behind the wheel. Sponsored by the Pentagon's research agency, this race for robotic, driverless vehicles had a \$2 million prize. Its ultimate goal is was to gather new ideas for the future of unmanned vehicles.
