Special Program for US Members—Give a Reward, Get a Reward

IEEE-USA is running a special offer for US members.

Refer a colleague to IEEE and for every new member you recruit that joins:

- ◆ **You** will receive your **choice of an IEEE-USA branded gift item.**
- ◆ **Your referral** will receive a **\$25 discount** off their first year membership.
- ◆ There is **no limit** to the number of new members you can refer or gift items you can receive.
- ◆ All existing Member-Get-a-Member incentives will still apply.

How it works

- ◆ Refer your colleague via the online form at:
<http://ieeefluidsurveys.com/s/ieee-usa/>
- ◆ Your referral will receive an email inviting to them join IEEE at a \$25 discount off their first-year membership dues.
- ◆ Your referral will provide your IEEE member number as they join.
- ◆ Within 3-4 weeks after your referral joins, you will receive an e-mail confirming your recruiting success, including a link which allows you to select your IEEE-USA merchandise item.
- ◆ This offer is not applicable for students, only professional members.

Please help spread the word and share your IEEE experience—no one knows better than you how beneficial IEEE membership is.
