Correction to “Simulation of High-Speed Interconnects”

RAMACHANDRA ACHAR AND MICHEL S. NAKHLA

In the above paper,\textsuperscript{1} we wish to call the attention of the readership to an error that appears on p. 721. Fig. 27 should have appeared as follows:

```plaintext
/* Arnoldi algorithm for (partial) reduction to Hessenberg form - simple implementation */

Begin function Arnoldi

\begin{align*}
q_1 &= \frac{R}{|R|_2} \quad /* \text{get the direction for } q_1 */ \\
\text{for } j = 1 \text{ to } k \quad /* k is the desired number of columns for } Q \text{ & } H \text{ matrices */} \\
\quad z &= Aq_j \\
\quad \text{for } i = 1 \text{ to } j \\
\quad h_{ij} &= q_i^T z \\
\quad z &= z - h_{ij} q_i \\
\quad \text{end for} \\
\quad h_{j+1,j} &= |z|; \text{ if } h_{j+1,j} = 0 \text{, quit} \\
\quad q_{j+1} &= z/h_{j+1,j} \\
\quad \text{end for}
\end{align*}

end function Arnoldi
```

Fig. 27. Pseudocode for Arnoldi algorithm.

We regret any confusion this may have caused.
