

***IEEE Montana Section  
April Meeting Announcement***

# What's New at the Montana Space Grant Consortium?

Randy Larimer  
Special Projects Director

The Montana Space Grant Consortium (MSGC), funded by NASA, engages students in a range of science and engineering opportunities. This talk will provide an overview of the program and showcase a new national IRIS student competition that will be available. The MSGC will be looking for students to participate on two teams each consisting of 1-CS, 1-EE, 1-Physics and 1-ME. The talk will include and update about Borealis and the balloon project, with student presentations on recent results.

**Wednesday, April 21**

**General Meeting: 6:00 p.m.**

**Montana State University, 108 EPS**  
(Near 7<sup>th</sup> and Grant, South of Cobleigh Hall)

**Free pizza!**

Please call Richard Wolff at 994-7172 (or e-mail: [rwolff@montana.edu](mailto:rwolff@montana.edu)) or sign up via the Section website, <http://ewh.ieee.org/r6/montana>, to make reservations by 6 p.m., April 20, 2010.
