

February Meeting Announcement

A Look into GE-Bently Nevada: The Business, the Products, the Opportunities

Curtis Hoffman
(BSME, MSU 1995)
Principal Engineer
GE-Bentley Nevada

This presentation will discuss what GE-Bently Nevada does, and what differentiates them from the greater GE organization and everything that GE makes and does. Curtis will also discuss career opportunities and technical challenges that the Bently Nevada technology organization can provide in an environment similar to that of the Bozeman area and Montana in general, making GE-Bently Nevada a very good fit for MSU graduates.

Thursday, February 24, 2011
