

IEEE Montana Section Meeting

Wednesday, April 23, 2008

108 EPS (Near 7th and Grant, South of Cobleigh Hall)

Life Members Meeting: 6:00 PM

Regular Meeting: 6:30 PM

“High-Speed A/D Conversion”

Mike McFeters

Vice President, Hardware Engineering
Microstar Laboratories, Inc
Bozeman, MT 59718

Mike has been with Microstar Laboratories, Inc for 19 years and is a 1988 graduate of Montana State University. His areas of interest include circuit design related to A/D and D/A conversion, design for manufacturability and PCB design.

We will also have a presentation from Monther Abusultan, Clint Gramza, Colin Shirley and Josh Smith on an IEEE sponsored project called “Zigbot” (A wireless communicating maze solving robot)

Pizza and Soft Drinks Provided

Please call Randy Larimer at 994-5970 (or email: rlarimer@coe.montana.edu) or sign up via the Section Website <http://ewh.ieee.org/r6/montana> , to make reservations by 6PM, April 22, 2008.
