

# Supercharged, High Performing, Project Teams in Telecom!

Doug Bedinger, P.E., MHROD  
Teambuilding and Organization  
Development Consultant

# Responses to Project Management:

**Yikes!**

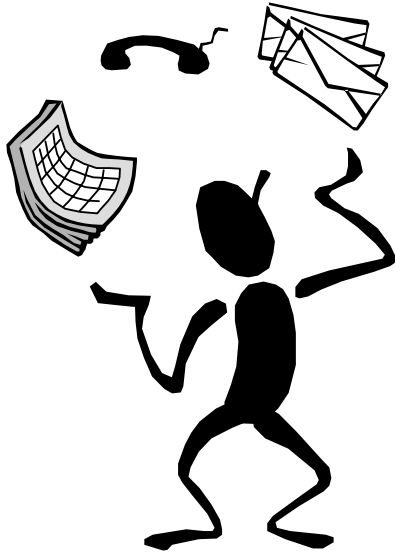

**You've got to be kidding!**

**Bring it on!**

# Project Management Reality:

*It's a juggling act!*

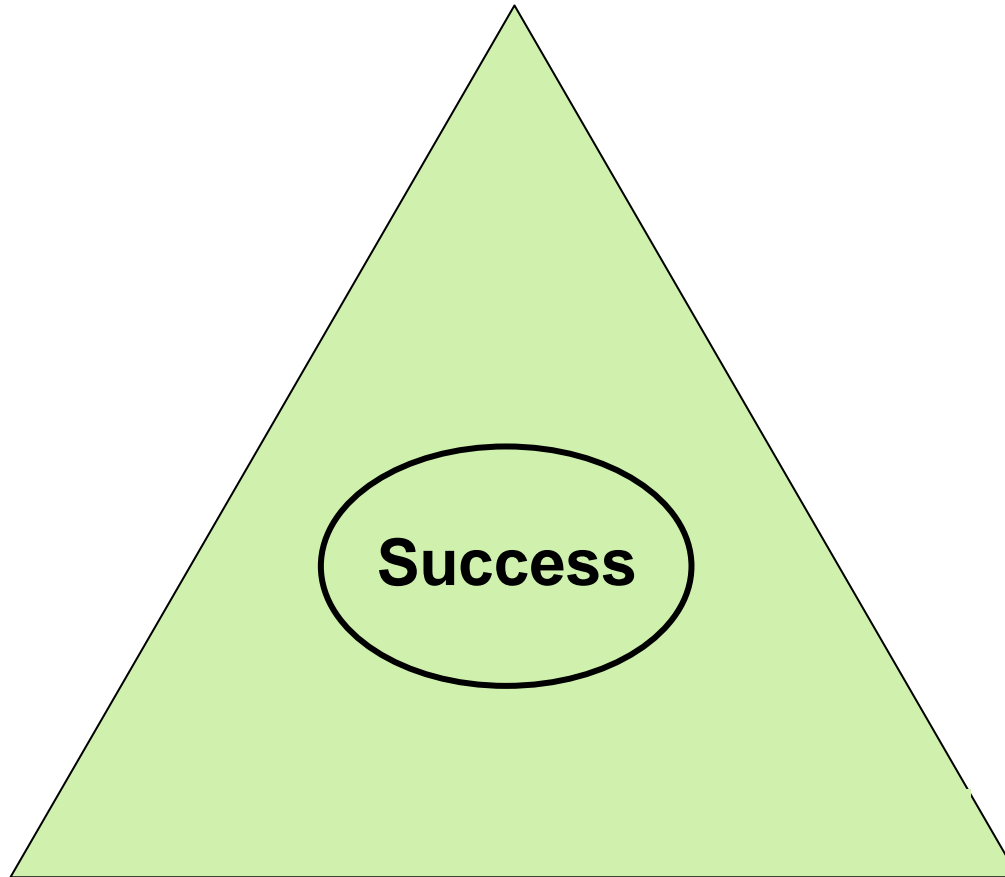

Got projects?

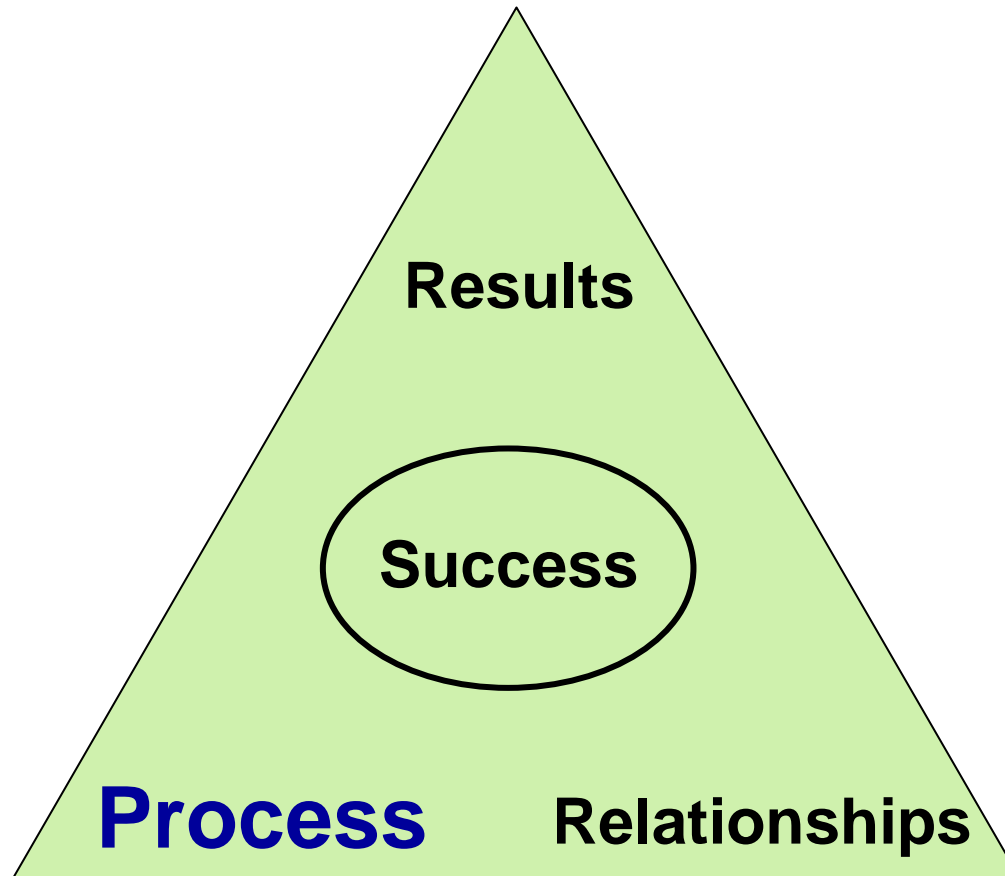

# Presentation objectives:

- An overall introduction to the project management process
- A chance to work with selected project management tools
- An introduction to the approaches and theories of teambuilding
- Interactive “teamwork challenge” activity

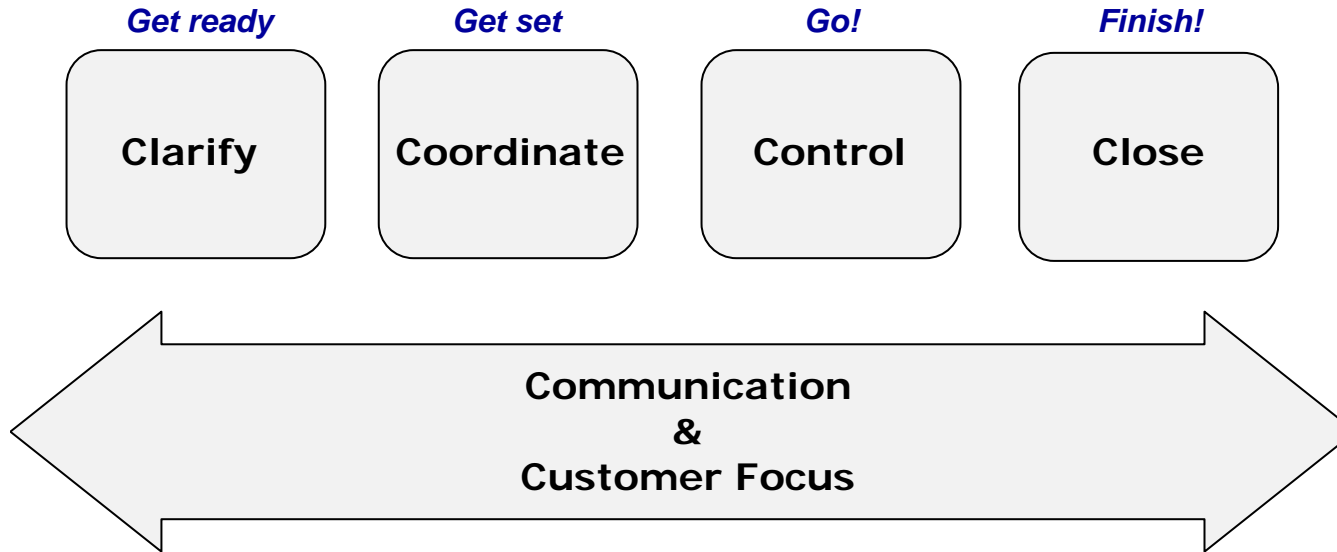

# Defining Success:

# Defining Success:

# The 6 C's of Project Management:

**Clarify** *Aligning the players to the project*

**Coordinate** *Planning the details for the trip ahead*

**Control** *Putting the plan into action, making adjustments along the way*

**Close** *Orchestrating the hand-off and finishing well*

**Communication** *Keeping everyone informed throughout the process*

**Customer Focus** *Ensuring project outcomes will satisfy customer needs*

# Tools to Use:

- PDD – Project Definition Doc

*Clarify*

- Stakeholder Analysis

- Communication Plan

*Coordinate*

- Task List

- Responsibility Matrix

*Control*

- Project Schedule

- Contingency Plan

- Close-Out Punch List

*Close*

- Metrics Tracking Sheet

# Stakeholder Analysis:

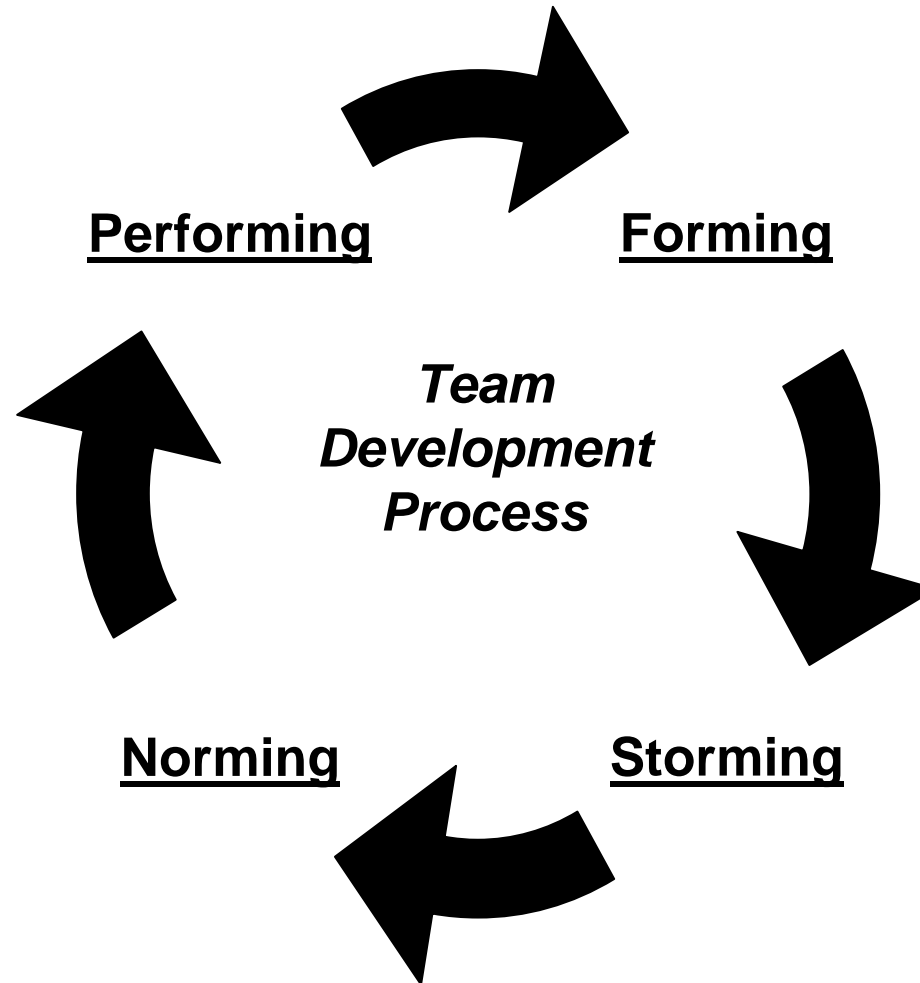

Stakeholder	Position re Project			Reason(s) for Position	Strategies to Gain Support
	For	Against	Neutral		

# Contingency Plan:

<b>Contingency:</b> Describe what could go wrong – one sheet per contingency.	
<b>Possible cause(s):</b>	1. 2. 3.
<b>Prevention strategies:</b> How can you keep this from happening?	1. 2. 3.
<b>Contingency plans:</b> What to do if this occurs.	1. 2. 3.
<b>Triggers:</b> What must happen before we apply our plan?	1. 2. 3.

# Team Development Process:

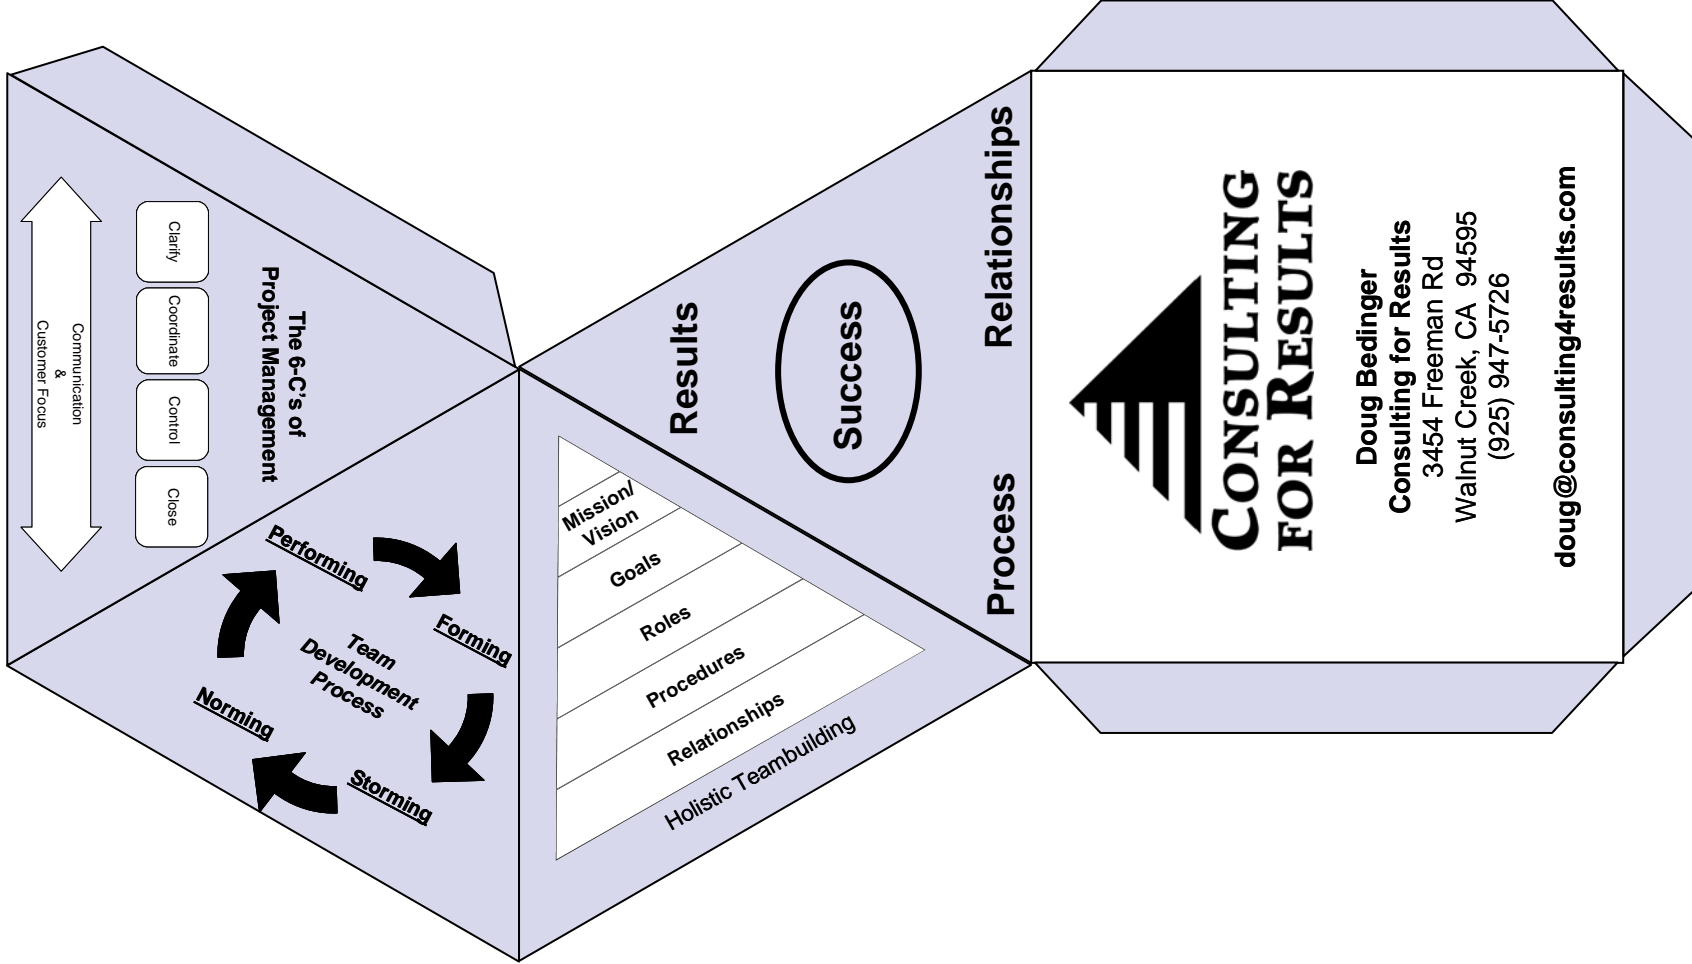

# Holistic Teambuilding:

# Teambuilding Challenge!

# Teambuilding Pyramid

# Supercharged, High Performing, Project Teams in Telecom!
