

Santa Clara Valley  
CHAPTER

The Santa Clara Valley Chapter  
of the IEEE EMC Society will be hosting  
a Mini-Symposium – Technical Exchange  
at the Embassy Suites Hotel on Oct 3<sup>rd</sup>, 2019  
8:30am-6pm (breakfast at 7:30am)

**Dr. Jim Drewniak (Missouri S&T), Doug Smith (Consultant), Mark Montrose (Consultant), Sandeep Chandra (Google), and Philippe Sochoux (Juniper Networks), Alpesh Bhode (Cisco)** will lead the discussion on various topics related to EMC and SI/PI during the morning and afternoon sessions respectively with some hands-on demo. Their background comes from different industries and they will let you know what's hot in the EMC world and especially in the Bay Area.

Visit vendors of test, simulation and measurement products and services throughout the day.

IEEE members get a discount.

Sign up as exhibitor!

Exhibit and evening reception are free of charge, but registration is required.
