Events Notice – Tuesday March 20, 2007

Niagara College Photonics Facilities

Niagara College (Welland Campus)
300 Woodlawn Rd.,
Welland, ON L3C 7L3

Meeting to be held in the Boardroom in the Voyager / Lundy wing.

All members and guests are welcome to come and enjoy an informal evening at Niagara College in Welland to network with their fellow IEEE members and tour the new Photonics Facilities. The tour is scheduled to begin around 7:00 pm, so come early.

Presenter: Professor Alex McGlashin

Alexander has been an instructor in the technology division at Niagara College since 1999. He has been involved in the photonics engineering program since its inception and has a particular interest in fibre-optic, laser and spectroscopic technologies.

Directions <http://niagarac.on.ca/howtofindus.htm>

From Toronto & Hamilton:

Exit QEW at Hwy. 406 south to Welland.
Take Woodlawn Road exit.
Turn right on First Avenue.
Turn left into the College.
