
Vehicular Technology Society Aerospace & Electronic Systems Society Joint Greece Chapter

Chair: Professor Niovi Pavlidou
niovi@auth.gr

Department of Electrical Engineering
School of Engineering
Aristotle University of Thessaloniki

Chapter Support

- <http://ewh.ieee.org/r8/greece/avtc/>
- Chapters are support by: The societies, The Region and The Section
- IEEE Technical Activities and Geographical Activities
- Region 8 (Europe, Middle East and Africa)
- **Chapter Coordination SubCommittee (CCSC)**
- Eurocon and other conferences

The chapter

- Greek Vehicular Technology Chapter was established in December 1999
- The Joint Chapter was established in 17 July, 2000
- VT Members around 50
- AESS Members around 20

Activities

- Technical Events (Workshops)
- Administrative Events (Management)
- Professional events (Career Days)
- Links with Similar Chapters
- Financial Support
- Awards

Spring 2010

- Elections
- Local Management Committee
- Workshop in April (Broadband Wireless)
- Student Sessions
- Career days
- Education Trends worldwide

Wireless Communication Engineering Technologies
(WCET)
