

Carissimi,

nonostante il tragico momento storico che l'emergenza COVID19 ci sta facendo vivere, per garantire continuità alle attività di incoraggiamento verso i membri meritevoli della nostra community, a cui teniamo particolarmente, anche quest'anno il **Power & Energy Society Chapter PE31 dell'IEEE Italy Section** assegnerà il premio "**Best Thesis Award**" per la migliore tesi di dottorato, per chi ha concluso il dottorato nell'anno 2018 e discusso la tesi negli anni 2018 e 2019.

Il premio, consistente in un certificato e in una somma in danaro di 500 €, verrà consegnato alla prima occasione utile nel corso del 2020.

La scadenza per la presentazione delle candidature è la mezzanotte del prossimo 30 Giugno 2020.

Il bando e il regolamento, che trovate in ogni caso al sito <http://ewh.ieee.org/r8/italy/pes/index.html> cliccando su "Best Thesis Award", sono riportati in calce a questa mail.

Cordialmente,

Roberto Langella, Samuele Grillo, Giuditta Pisano

IEEE Italy Section – Power & Energy Society Chapter PE31

ANNOUNCEMENT

BEST THESIS AWARDS IN POWER ENGINEERING

Following an already well-established tradition, the IEEE Italy Section – Power & Energy Society Chapter PE31 recognizes distinguished work in the field of Power Engineering (power system, power delivery and energy conversion topics) through presentation of Awards for the best PhD thesis defended in an Italian University. The Award consists in a 500 € honorarium and a certificate.

The Award will be assigned for PhDs in year **2018**.

Candidates must be Members of IEEE PES and must fulfill the following requisites:

- have completed the Doctoral Course in an Italian University in 2018 (defended either in 2018 or in 2019).
- **send their application by the midnight of June 30th, 2020** together with:
 - a self-certification of IEEE-PES membership (format available below);
 - the pdf file of the dissertation;
 - a copy of publications concerning the dissertation topic, if any;
 - a curriculum vitae listing educational background, positions held, publications, awards, etc.

All documents **must** be sent in electronic format by e-mail (please do not exceed 5 MB or send it through a large-file sending service, e.g., WeTransfer, Filesender GARR).

Theses will be evaluated by a Board of Experts in Power Engineering, designated by the Chapter Executive Committee. Award recipients will be notified by email by **September 30th, 2020**. Chapter Officers will present the awards to the recipients at a Meeting of the IEEE Italy Section – Power & Energy Society Chapter PE31. The material sent for evaluation will not be returned. All the decisions of the Board are final.

PRIVACY STATEMENT

All personal data (including files) will not be disclosed to any third party without Applicants' consent. When sending documents for application, Applicants give tacit consent to disclose this material to the Board of Experts (designated after the expiration of the application deadline).

Applications should be sent to:
