

3rd IEEE Comsoc Communication Technology Changing the World

The competition *Communication Technology Changing the World*, by the IEEE Communications Society – Member Relations, recognizes students or teams of students who demonstrate the capacity to improve the lives of people, through the application of communication technology and the development of projects that meet the human needs of people.

The Competition is intended for **graduate and undergraduate students**. Its purpose is to recognize students or teams of students who demonstrate the capacity to improve the lives of people, through the application of communication technology and the development of projects that meet the human needs of people.

The First Prize consists of \$2000+plaque and will be presented to winner(s) at IEEE GLOBECOM 2015.

See all details at:

<http://www.comsoc.org/communications-technology-changing-world>

The deadline for submissions is 15 August.

The Student Competition has been a great success in 2013 and 2014. We hope to receive many qualified submissions also this year.
