Version 3a

The IEEE Region 1 Student Conference is the premier annual event where all student branches from IEEE Region 1 (*the northeastern United States*) meet to discuss mutual challenges and compete in regional competitions.

The conference's objective is to encourage lively student engagement and provide an opportunity for students to network and learn from other students from across the Region, while applying practical engineering knowledge in the various competitions. *Student competitors will share in $3,650 in prize money!*

The Region 1 Student Conference also provides a great opportunity for student members to network with industry professionals and IEEE volunteer leaders.

Conference Highlights:
- ❖ Regional MicroMouse Competition
- ❖ MicroMouse Workshop for Newbies and Pros
- ❖ Undergraduate Student Paper Contest
- ❖ Student Ethics Competition
- ❖ Networking Opportunities
- ❖ Meet IEEE Leaders and Industry Professionals
- ❖ Award Ceremony and Dinner
