Jane Morehead	Area 6
	Area 7
	Area 8
Halden Morris	Area 9

Area Student Representatives	
	Area 1
	Area 2
	Area 3
	Area 4
	Area 5
	Area 6
	Area 7
	Area 8
Kimroy Bailey	Area 9
Michael Scherer	Southeast Con Hardware Chair

Statistics (2011)

Number of student branches: 98
Number of teams competing in Southeast Con: 40
Number of teams registered in Xtreme: 61
Number of teams competing in Xtreme: 59

Purposes / Objectives / Goals

Purposes:
1.

Objectives:
1. Increase communication between student branches within the region (could designate a project to accomplish this).
2. Increase student member retention rates (could set a goal and a project to accomplish this)
3. Create better/more communication/cooperation/events between student branches and their local GOLD chapters.

Goals:
1. Increase the number of student branches in Region 3 to 100.
2. Increase the number of teams from Region 3 competing in Southeast Con hardware to 45. See goals for SoutheastCon Competitions below.
3. Increase the number of teams from Region 3 competing in Xtreme to 100.
4. Fill every position on the R3 SAC team.

5. Plan and execute either a regional leadership retreat or several more local leadership training events.

Projects

Name: Southeast Con Competitions
Description: Hardware, Software, Ethics, Paper, Website, T-Shirt
Measurable Goals:
- Hardware teams get 45 teams to compete
- Get Paper entries up again to at least 15 in 2013
- Develop strategy to screen ethics competition entries
- Software has a cap, only 1 team per branch
- More entries for website competition (ideally 1 per branch in Region)
- Find guidelines on great SB websites
- T-Shirt rules need to be enforced, Have more T-Shirts submitted
- Get more schools to observe competitions to invite their participation the following year
Timeline: Most topics are for SoutheastCon 2013, some might be more long term
Budget: $6000 incl project 2
