All,

Josh and I are currently working on bringing together a team for the Student Activities Committee. We have found Mary Lynn Smith as Vice Chair, Eric Ackerman as past chair. Daniel Kohn, Jane Morehead, and Halden Morris have agreed to serve as Area Student Activities Chairs, Kimroy Bailey has agreed to be one of the nine Area Student Representatives. We will continue to look for more individuals to fill the open positions.

We are also planning the student events of SoutheastCon. Find attached a first tentative plan for the events at SoutheastCon. We will finalize these next weekend at the next pre-conference meeting.

Thanks

Regina
