

Engaging Our Members

Tom Weldon
IEEE NC Council Chair
12/3/2012

Some Member Engagement Ideas

- Invite Student Chairs and Counselors to R3 area meetings at SoutheastCon
- Invite experts to present papers at SoutheastCon
- Invite expert reviewers for SoutheastCon papers
- Co-locate a Council meeting with student leadership training event and share lunch

More Member Engagement Ideas

- Tours of local public infrastructure train/rail facilities, etc.
- Tours of local plant/factory facilities
- Joint meetings with student branch technical meetings/speakers
- Sponsor university seminar speakers/food

& More Member Engagement Ideas

- Annual social events, hockey games and basketball games
- Welcome-back pizza student/campus joint meeting open to section members gives chance to visit campus/students
- Senior design expos are great events/opportunity

... Even More Ideas

- Create local newsletters to keep local members informed of past and future opportunities
- Invite colleagues to take roles in local sections as officer/editor/webmaster
- Use teleconferences for meetings across wide geographic areas and keep in touch with members
