

Region 3 Director Elect's Report  
June 6, 2013

On May 20, I attended the IEEE Board Meeting via WebEx.

On May 22, I discussed the Leadership training initiative led by Yuri Quintana, Memphis Section Chair with Yuri and Bill Ratcliff.

My article for the next newsletter is completed. This can sometimes be a challenging task, so I hope you find it inspiring.

Respectfully submitted,  
Mary Ellen Randall  
Region 3 Director-Elect
