

Region 3 Director-Elect's Report

October 7, 2013

Here are my recent activities:

- Arranged for HQ Presentations on SamIEEEEE. There will be a beginner webex and then an advanced.
- Feel free to submit any questions in advance.
- Arranged travel for upcoming meetings: Metro Area Workshop October 18-19 in Atlanta, and IEEE Board Series in November.
- Do you remember my newsletter challenge to each of you to meet with a newer member and get to know them better and what they want out of IEEE? Read about my experience meeting this challenge in the Newsletter.

If you have interest in the helping out at the Region next year, please let Lee Stogner know.
Feel free to copy me on your email.

Respectfully submitted,
Mary Ellen Randall
Region 3 Director-Elect
