There was no request for funds from Region 3 at that time or allocations of any expected funds from Region 3 at that time shown in the budget. It showed \$0 for Region/PACE funds. It appeared from the budget that the section was covering the cost. Since they did not use speakers from the S-PAC National Speakers List, IEEE USA S-PAC funds could not be used to cover travel expenses for the persons listed as National Speakers. Based on initial budget and not using S-PAC National Speakers, no IEEE-USA S-PAC funds or Region 3 S-PAC funds have been approved to disburse since there was no request for funds prior to the conference.
