Subject: Region 3 Strategic Planning Committee Report

From: William B Ratcliff

To: Region 3 Excom

The Strategic Planning Committee (SPC) has met twice (6 February and 25 February) via WebEx. One of the tasks of the SPC is to coordinate the development of a list of Mentors to assist the Region 3 ExCom Committees. The latest version is attached for your use. Please involve the mentors in the meeting plans for your committee including SoutheastCon as well as on line meetings.

The SPC intends to focus on the following areas of Region 3 in 2014:

- Coordinate the Region 3 Mentor / Committee process
- Conduct a review of the Area Council functions (Bill Harrison, Chair – Region 3 Committee Review)
- Synchronize the Region 3 Operations Manual with actual functions and processes of Region 3
- Update the SPC web pages and archives.

If you have any questions or comments please contact me.
