

Employment and Career Services Committee

Region 3 Employment Assistance

Region 3 Excom Report

**Ed Kirchner, Region 3 ECS
Committee Representative**

14 April 2014

Recent Activity/Accomplishments

- Attended ECS meeting in Washington, DC on 22 March
 - Committee is working a full slate of action items intended to improve the content of and access to employment and career management products and services
- Region 3 Employment Assistance Website
 - Discussed website with Lee Stogner
 - Agreed that site should remain active, and that a plan for improvements should be developed
- Company Contact Information Database
 - Database service license is not being renewed
 - Lee Stogner has created a master spreadsheet of contact info
 - Spreadsheet will be made available to Section leadership upon request (it is being placed on the Employment Assistance website as a password protected file)

Plans for 2014

- Increased direct communication with Section leadership
 - Emails highlighting available resources and asking each Section what their specific needs are
- ECS is looking for Sections needing Career Workshops
 - No set schedule of Metro Area Workshops for 2014
- Other related developments
 - I was just named Chair for the IEEE-USA PACE committee
 - Should be able to ID synergies between ECS and PACE
