TO: IEEE Region 3 Leaders – 23 March 2015

FROM: Mary Ellen Randall, Region 3 Director

SUBJECT: Region 3 Report

Congratulation to you all! Your efforts to recognize members and Senior Member Roundups enabled **region 3 to reach 121%** of its **Senior Member goal** in 2014. Keep up the great work!

Several Sections reported that the Senior Member Roundups were attended by members who do not traditionally attend meetings, enabling us to reach new potential volunteers and personally invite them to come back to participate in other IEEE events. Member were grateful for the help in completing their Senior Member application and in many cases, this recognition was well past due.

Our 3 region special projects continue to progress. These are Volunteer Integration Process (VIP), First Year member experience, and MOVE (Mobile Vehicle for disaster relief).

The IEEE-USA approved further funding for years 1 and 2 of the MOVE Project at its December meeting. We thank the IEEE-USA for its support in this program.

Design, business planning and other implementation activities are underway within Region 3 and our partner Region 5 on the MOVE project.

Region 3 published its 1Q newsletter. <http://ewh.ieee.org/reg/3/R3%202015-1.pdf>
