I've sent multiple emails to Region 3 PACE chairs, Section Chairs and Section Vice Chairs requesting that each section send a representative to the IEEE-USA meeting in Milwaukee in May. So far, only nine sections have responded. I hope to hear from the rest before the end of the week. **we want all the R3 PACE chairs to attend.**

I attended the PACE committee meeting in DC this past weekend. We are working to consolidate and simplify the PACE funding request and report forms. There will be no IEEE-USA meeting next year, and we are working to determine what to replace it with.
