## Awards and Recognition Committee Report

To: Region 3 ExCom  
Cc: Region 3 Committee  
Sb: Region 3 Awards and Recognition Committee Report  
Dt: 11 April 2015

The Region 3 Awards Ceremony will be held tonight at SoutheastCon, starting at 6pm – I hope those of you in Fort Lauderdale will attend. We are excited to recognize all of our deserving winners – not only of the R3 awards, but those that have won other IEEE awards throughout the year! We will also be recognizing Section anniversaries. Other plans for the year for the ARC include updating the awards manual, and considering new awards.

IEEE USA Awards nominations are now being accepted. Information can be found [here](#). IEEE USA is now using FluidReview for nomination submissions, so the process has been greatly improved over last year! When you click on the “nominate” link beside any of the award descriptions, it will take you directly to FluidReview. If you have a nomination that you submitted to FluidReview for a different IEEE Award (for example, a Region 3 award), and want to use that as a starting baseline for a nomination, please email me and I’ll see if we can transfer that information over. As always, please let me know if you need assistance with any nominations.

[IEEE Educational Activities Board award nominations](#) is also open. The deadline for submission is April 30.

[IEEE Recognitions nominations](#) are due July 1.

[IEEE Medals nominations](#) are due July 1.

Respectfully submitted,

Jill I. Gostin

IEEE Region 3 Awards and Recognition Chair
