Region 3,

Attached are the latest MD Reports that are available from both IEEE and Region 3. Please review and use for creating your **2016 Section MD Plan**. This plan should be shared with your new Region 3 MD Chair, Mauricio Cano Galvis - mcano@ieee.org and IEEE MD Staff, Chris Wright - wright.c@ieee.org .

I've also attached the latest IEEE MD Manual. Please circulate across your Section and build your 2016 MD Team. As a resource, MD information is stored and ready for download at,

www.ieee.org/md

Thanks for allowing me to support you in recent years as we built the Region 3 team of tomorrow.

Sincerely,

Lee Stogner, PMP
IEEE Volunteer
