Re: [IEEE R3] Conference Committee Report, Jan2016

Dear IEEE Region 3 members:

Thank you again for taking the time to review NC Council's proposal to host SoutheastCon 2017. It's important we get the proposal reviewed at the 18 January region meeting and your discussion and vote are critical - and much appreciated.

Don't forget: 2016 SoutheastCon will be in Norfolk, VA on 30 March - 3 April, 2016. It is being hosted by the Hampton Roads Section in cooperation with Old Dominion University, Norfolk State University, and Christopher Newport University. The conference website is: http://sites.ieee.org/southeastcon2016/

If you haven't already, be sure to make your hotel room reservation and get your conference registration done now.

And, as always, please let me know if your section is interested in hosting a future SoutheastCon. Thank you.

Respectfully submitted,
Chris Hardy
2015 Conference Committee Chair
