Sb: Past Director's Report – January 18, 2016 ExCom

Dt: 18 January 2016

The gavel was officially passed to **Director Conrad**. Congratulations Jim!

The IEEE MOVE MOU with the Red Cross was **signed** on December 2, 2105

The MOVE Vehicle was **ordered** December 23rd. It will be delivered in early March. Many thanks to those who made this possible, especially Gregg Vaughn who worked with the manufacturer to ensure it will meet our specs.

We are now preparing training materials, marketing materials, seeking industry sponsors, firming up STEM materials, etc.
