Region 3 Communication Committee Report

By Donghui Wu

In the process of drafting 2017 goal of Communication Committee:

1. Promote Collabratec at SounteastCon (set up a booth or demo/training?)
2. Encourage Section to use Collabratec for their meetings. Orlando Section will start remote participation via collabraet staring March ExCommeeting
3. Strike to post at least 1 informative message every week to region 3 Facebook (twitter) account.
4. Increase followers of Region 3 social media, goal TBD.

In the process set up regular Committee meetings using collarate and finalize annual goal and monitor progress starting March. Target 3 meetings by end of year.

Thanks Mary Ellen for great inputs! And will get input and expectations from Director Conrad as well.

Thanks,

Donghui
