Central Tennessee Section Report

- Section continues to show positive results on membership changes for the year. Senior Members +0.6%, Student Member +11.6%, Total Members +2.8%.
- Section conducts on an average one activity every month. Our three hour and lunch meetings have fairly good participation from members.
- The section supported the State MathCounts competition this year as well as last year. Over 60 Mathletes attended last year from 22 schools across the state.
- Our IAS/PES joint chapter is very active with multiple technical meetings since we reactivated the chapter a couple of years ago.
