Officer Reporting & Email Lists:

- All section officers please review your officer reporting through vtools (https://officers.vtools.ieee.org/) to update all officer changes for your Section.
- All section officers please review your email listserv to ensure all officers are included in your email list. I updated the lists that I had access to per SAMIEEE officer report listings.

Atlanta Science Festival:

- IEEE USA, Region 3, and the Atlanta Section sponsored the Curious Kid's Zone at the Atlanta Science Festival's Exploration Expo on Saturday, March 25, 2017 at Centennial Olympic Park. In the Curious Kid's Zone, the Atlanta Section hosted the Engineer's Workshop and activities included:
    - Science Story Time – Reading Andrea Beaty's books (Rosie Revere, Engineer; Iggy Peck, Architect; and Ada Twist, Scientist)
    - Bubble Science
    - Paper Circuits
    - Paper Plate Marble Maze
    - Three Little Pigs STEM Challenge
    - Straw Airplanes
- Additionally, the IEEE MOVE truck was at the event. We gave an overview of the truck and provided children and teachers with a take home kit to make their own penny battery to power a LED.
- As part of our sponsorship, the Atlanta Section led the Stomp Rocket activity at the Atlanta Science Festival Kickoff Event on Tuesday, March 14, 2017. We even met astronaut Mark Kelly!
- Thank you to IEEE USA and Region 3 for co-sponsoring the Exploration Expo with the Atlanta Section! We reached over 400 children at the event.
- A huge thank you to all of our volunteers that made this event a success! Special thank you to Melody Richardson (Atlanta k-12 Outreach) and Jeri Lambert (Atlanta k-12 Outreach) for ensuring we had the necessary space and supplies for the event.

Thank you for all that you do for IEEE!

Sincerely,
Chase Battaglio
