It was a pleasure to have served as your Director in 2016-2017.

My only activity since our December meeting has been to organize the AdHoc for Fall meetings/Conferences. Our first meeting will be Wednesday, January 17, 8pm. Contact me if you are interested in participating.

Well, I had one other activity - I visited India to give a talk about IEEE and the MOVE project the first week of January.

I am also responsible for heading the search for Region 3 Director-Elect candidates for the Director's term of 2022-2023. If you think you may be interested, please contact me to discuss what the volunteer position entails.
