Director Elect Report

To: Region 3 ExCom
Subject: Region 3 Director Elect Report
Date: 21 May 2018

I have continued participating in the MGA Training Committee. I solicited input from several R3 members about some of the new content on the CLE website. Thank you to those of you that reviewed the items I sent! Your input has been shared with the committee and will be added to the website.

Thank you to everyone that participated in the MOVE and Red Cross training at SoutheastCon. We had a great turn out! I'm currently considering how best to keep local groups engaged in MOVE. Also, Mary Ellen, Vera Sheroff and I had a telecon about adding information related to MOVE to OU Analytics. Vera showed us some options for how it could be done. She is determining what she thinks will work the best, now that she better understands the information we want to track.

Upcoming IEEE meetings that I will be participating in (excluding Society/Council meetings):

- 5/24 – IEEE BoD telecon
- 6/20-24 – IEEE Board Series

Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,

Jill I. Gostin, Region 3 Director Elect

jgostin@ieee.org

Jill I. Gostin

Deputy Director, Information and Communications Lab

Principal Research Scientist

Georgia Tech Research Institute

Office: 404-407-7417 Cell: 678-523-4989
