The Section Support Committee met on May 8th with the agenda being:

SoutheastCon 2018

I would like to thank the Section Support Committee members for a very successful meeting at SoutheastCon 2018. As Gregg said, for the SSC team our focus was to put emphasis on the "Support" in our role as Section Support Committee. The committee will be working over the next few months to continue what was started at SoutheastCon. I would like to hear from you 1) how are we doing and 2) what can we do to improve Section Support in Region 3?

On May 17th I attended the Young Professionals SoutheastCon Debrief and Quarterly Conference call. Daniel Diaz reviewed status of the YP Section Chairs/Representatives on the call. Many ideas and suggestions were shared by the folks on the call.

With Mary Ellen's assistance we were able to have the Senior Member Application Status excel report and the Senior Member Panel Results excel report added back to the Senior Member Program: Volunteer Resources web page <https://mga.ieee.org/membership-development/senior-member-program-volunteer-resources>. Please contact Jacquelyn Cunningham with any question you may have on Senior Member Elevation.

Please feel free to contact me with suggestions to better serve our Region 3

members.

Thank you for all that you do for IEEE!

Mark Torres, PE

Backup Material

The Section Support Committee (SSC) was established on Jan 1st as per the updated Region Committee structures. Many of the functions of the old Member Engagement and Life Cycle (MELC) Committee have transitioned into the SSC. The SSC will meet monthly on the 2nd Tuesday of the month.

The 2018 committee members are:

Section Support Committee Chair	Mark Torres
Life Member Coordinator Bellarmine	Tom
Young Professional Coordinator	Danial Diaz
Women in Engineering Coordinator	Allison Mercer
Senior Member Elevation Coordinator Cunningham	Jacquelyn
Sections Operations Specialists (Position 1)	Charles Lord
Sections Operations Specialists (Position 2)	Bill Marshall
Project Coordinator Grayson Randall	
Technical Activities Coordinator	Glenn Parker

SSC guiding principles:

\* The Member IS IEEE. Engagement of every member is our goal.

- \* The Section IS IEEE to the Member and OWNS the Member RELATIONSHIP. Communities of interest such as YP, WIE and Society Chapters are the channels for engagement.
- \* The Region is the ENABLER FOR full member ENGAGEMENT
