To: Region 3 ExCom  
Subject: Region 3 Director Elect Report  
Date: 17 December 2018

Due to a family illness, I have had to miss several meetings over the last few months. I was unable to attend the IEEE Board Series in Vancouver, but I did call in all day for the MGA Board Meeting. Gregg has reported on the outcomes from that meeting.

I recently participated in my last meeting on the MGA Training Committee. This is a very active committee, devoted to improving the CLE website and improving the VoLT program. Although the committee size is being reduced going forward (as are many MGA committees, in order to save on cost), I believe the committee will continue to actively improve training opportunities and offerings for our volunteers.

I will be attending the R3 planning meeting in January and the Board Series in February. In 2019, I will be serving on the Young Professionals Committee, as the Region Dir/Region Dir Elect representative. I look forward to working with this very engaged team, and am looking forward to an exciting year of preparing to be the R3 Director in 2020!

Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,

Jill I. Gostin, Region 3 Director Elect
