We had 9 completed award nominations this year across four award categories; thank you for your support! The ARC will be holding a WebEx in early January to determine our recommendations to lift up to the Region for a vote during the January 21st meeting.

Also, do not forget that the deadline for the IEEE Technical Field Awards is 15 January 2019. Please go to <https://www.ieee.org/about/awards/technical-field-awards/index.html> for details.

V/r,
Kristin Bing
Region 3 ARC Chair
