Region 3 Awards will be presented at SoutheastCon 2019 in Huntsville, AL. Three of the IEEE-USA award winners will also be honored at the ceremony. Newly elevated Fellows, winners of other IEEE awards, and MOVE volunteers will be recognized as well.

Please promote nominations for the following awards in your Sections:

IEEE Educational Activities honors individuals, companies, IEEE Sections and IEEE Societies for major contributions to engineering and technical education through our annual awards program. This year's awards program has initiated and the details of the awards, eligibility criteria and application procedure are available at <http://bit.ly/eabawards> The deadline for nominations is 06 May 2019.

The MGA Middleton Distinguished Service and Outstanding Section awards nominations are due in mid to late May:
