Director's Report

To: Region 3 ExCom

Subject: Region 3 Director's Report

Date: 17 February 2020

Greetings from the February IEEE Board Series, being held in Region 3 (Orlando)! It has been a busy meeting series, and I am working hard to represent our Region. I am serving on multiple boards and committees this year (see list at bottom of email). Please feel free to contact me about any of these Boards / Committees, with your questions and input.

We are busy gearing up for IEEE Region 3 SoutheastCon in Raleigh, with Region meetings from 4:00 pm March 13 through noon on March 15. I have attached the agenda to this report. Thank you to all those who have agreed to be speakers! I look forward to our meetings in Raleigh, especially working on ways to help us all with Making New Connections.

As you know, this is a Section's Congress year, and we will be having a Region 3 Committee Meeting at Section's Congress. We expect that hotel information and registration will be available soon, so please be watching for an email about that. Kristin Bing, our Sections Congress Coordinator, will keep us all updated and will help ensure everyone understands what needs to be done.

A reminder: Throughout the year, I will be gathering information about exciting events happening throughout the Region, and also about challenges that our Sections have encountered. Send me a couple of sentences occasionally, about any such successes or issues. I will use some of this information in my reports to MGA. If you want information posted on our website or on social media, please contact Sonya Dillard.

Our Committees are in place to support the Sections and the Region – please feel free to reach out to them when you need help or you have a question. You can visit [the Region 3 website](#) to see the full list of committees.

I greatly appreciate your service on behalf of IEEE! Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,
Jill I. Gostin, Region 3 Director/Delegate 2020-2021
jgostin@ieee.org

Remaining ExCom and Committee Meetings, 2020 (typically the meetings will be on the third Monday of the month at 8:00 pm Eastern):

ExCom telecon: Feb 17
