Subject: [R3-EXCOM2020] Director Elect Report

I'm currently at the IEEE Board Series meetings in Orlando, where I'm attending IEEE-USA Board, IEEE Board, and MGA Board meetings.

In my role as Director Elect, I serve on the Conferences Committee, the Finance Committee, and the Strategic Operations and Support Committee. I also serve as a mentor to the Professional Activities Committee and the Area Chairs. I had a WebEx meeting with the Area Chairs, and we are working on ways to make the Area Chairs more successful.

I will speak on "Succession Planning: Finding and Engaging Volunteers" at SoutheastCon in Raleigh next month. I hope to see you there.

Let me know if there is any way I can help you.

Theresa Brunasso
IEEE R3 Director Elect
