MOVE deployed to the Tennessee Tornadoes, prior to COVID lockdown. Jay Diepenbrock and Steve Kemp supported this important effort. Many thanks to them!

DST 101 training was completed on March 12, 2020.

MOVE Training was held on March 13, 2020.

MOVE activities during COVID social distancing include:

-work on back design of the truck

-radio strategy

-additional relationship building with State Emergency Management, Civil Air Patrol and Search and Rescue

Many thanks to all who support MOVE! www.ieeefoundation.org/move
