[R3-EXCOM2020] [IEEE R3] AREA 9 REPORT: JUNE 2020

Area 9 Chair's Report

To: Region 3 ExCom

Subject: Region 3 Area 9 Chair's Report

Date: 15 June 2020

The Section has been participating in the current series of Region leadership training sessions held on Wednesdays and as such general and ExCom meetings have been on hold to allow for the members to capitalize on the Region Leadership Training series.

The Section awaits confirmation/details on help requested from **Region, Member Communication Committee Chair, Sonya Dillard,** on whether or not the Jamaica Section could be facilitated with a website training session of the Volunteers. It is anticipated that the training will serves as a refreshers training session and also to develop a pool of potential volunteers to serve in this area.

The IEEE Jamaica Section and IEEE WIE Jamaica Section have been invited by the Caribbean Girls Hack to collaborate in the IBM Call for Code 2020. We are planning to meet virtually with the Student Branch Counselors, WIE Jamaica Section to brainstorm how best we can collaborate and participate in the competition.

Respectfully Submitted by:

Dr. Damith Wickramanayake - **Area 9 Chair**

Associate Professor

Faculty of Engineering & Computing

University of Technology Jamaica.
