The Florida Council continues to explore ways to assist our Sections as we have moved into a virtual platform for meetings and events.

- Ways we can share/publicize Section events among Council Sections
 - Utilizing eNotice - Any Section wishing to announce their upcoming event(s) will submit their announcement to the Council. All announcements will be compiled into a single eNotice to all Florida Council Sections.
 - Coming from the Florida Council it will be a single eNotice and reach all of the Florida Council with no further action required by our Section Chairs.
- Continued focus on:
 - Section website
 - § recommendations on site content
 - § importance of updating them
 - Voting on Sections Congress
 - New events
 - Beginning stages of end of year activities
 - Award nominations

Our next Florida Council meeting, virtual, is being planned for September 19th.

Respectfully submitted,
Claude Pitts
