Subject: Report to the Region 3 Committee for Meeting 17-August 2020

The SSC has been working to make the recorded presentations from May and June available to section volunteers. In May, we hosted 3 training sessions for volunteers, and in June we hosted 4 presentations discussing "New Event" ideas for sections to host. They are available on a new YouTube channel called "IEEE Region 3 Volunteers". More information will be provided when the channel is announced at the committee meeting on the 17th.

If you have any questions, feel free to contact me at marshalliv@ieee.org.
