

IEEE Region 3 SoutheastCon 2021

IEEE Central North Carolina Section

Tadilo Bogale, Ph.D.

Section Chair

10 March, 2021

Greatest 2020 success

Region 3 Meeting

- Recruit multiple new section volunteers for CNC Section
 - Section Chair and Treasurer: Dr. Tadilo Bogale
 - Section Vice Chair: Dr. Nate Peachey
 - Student Chapter president: Jon Ward

- Conducted section meetings and invited speakers to deliver a talk during CNC section meetings
 - **Ryan Pratt**, *Founder and CEO of Guerrilla RF on “Career path in the RF semiconductor industry: From designer to technical management to company founding”*

Greatest 2020 challenge

Region 3 Meeting

- Reaching out volunteers to involve different section activities.
- Recruiting new IEEE student/members to increase the sections visibility during pandemic

Top 2021 Goal

Region 3 Meeting

- Improve member retention and recruitment for each section
- Improve member engagement within each Section
- Organize multiple technical meeting (remotely and in person when feasible)
- Host outreach and poster/presentation/project competition involving college and K12 students
- To update the CNC website to contain information reflecting current activities

IEEE Region 3 SoutheastCon 2021

Thank you!
