

IEEE Region 3 SoutheastCon 2021

IEEE Western North Carolina Report

Jeff Bevan. Ph.D.
Chair
14 March, 2021

Greatest 2020 Success/Challenge

- Virtual meetings conducted in second ½ of year (Success!) after COVID shutdown pretty much the entire first ½ of the year (Challenge) – Monthly EXCOM throughout pandemic
 - IEEE USA'S LIVESTREAM PANEL WEBINAR: POST-COVID-19 (With IEEE-USA) – 16 July 2020
 - Publishing WITHIN IEEE – PAST, PRESENT, AND FUTURE (with IEEE USA) – 30 September 2020
 - FINANCE FOR THE ENGINEER(with IEEE WNC LCN) – 21 October 2020
 - DUKE ENERGY OCONEE NUCLEAR STATION: TURBINE AND GENERATOR PRESENTATION(with IEEE WNC PES) – 17 November 2020
 - IEEE WNC SENIOR MEMBER ROUND-up (with IEEE USA and WNC Facebook Live) – 2 December 2020

Top 2021 Goals

WNC plans to leverage the virtual paradigm shift to enhance:

- Monthly Educational and Professional Activities
 - Break down our section geographic barriers
- Host Local Manufacturing Industry Event
- Continue to support R3 and IEEE goals and objectives
- Remind Members to get vaccinations so we can meet again
- Continue communications/ local events so Members can participate
- Aggressive Membership Recovery and Recruitment activities

IEEE Region 3 SoutheastCon 2021

Thank you!
