Area 8 includes the Evansville/Owensboro, Louisville, and Lexington Sections

We participated in the IEEE-USA CVD this year. We met virtually with members of two senators and two congressional representatives. The meetings were informative on both sides of the conversations.

Lexington is trying to start of Life Members Affinity Group, just like the one that exists in Louisville.

All sections continue to advertise and have virtual section meetings. We must explore how to continue engaging remote members and begin safe in person meetings again.

Area 8 Chair,

Thanks,
Don Hill
