IEEE R3 Awards and Recognition Committee (ARC) Report - May 2021

General Updates

- The Awards and Recognition Committee (ARC) will be meeting on Thursday May 20 to discuss lessons learned and 2022 awards planning
  - Comment from some nominators and ARC members: award descriptions and judging criteria are slightly ambiguous and could be improved
  - Goal for May/June 2020: provide recommended changes to award descriptions and judging criteria
    - We normally open nominations in June. Are there any issues pushing this off to July to allow R3 ExCom to review and vote on changes?
