IEEE R3 ARC Report for June 21, 2021

General Updates

- The Awards and Recognition Committee (ARC) met several times in May and June to discuss lessons learned and plans for 2022
 - Several changes to ARC manual were presented and approved (award description re-wording, change in scope, correction to Section establishment dates + anniversaries)
 - Plan to present summary of changes tonight and work with MGA to approve changes
- I will be reaching out to Section chairs regarding submissions for IEEE-USA awards. We want to encourage everyone to review these awards and consider nominations
 - Please let me know if you are considering a nomination, as I would like to track it
- I plan to work with Region 3 webmaster ASAP to add recent award winners to the website

Upcoming Award Deadlines

- Standards Association Board Awards (July 31): <https://standards.ieee.org/about/awards/>
- IEEE USA Awards (September 15): <https://ieeusa.org/volunteers/awards-recognition/>
- Member and Geographic Activities Awards (October 15): <https://mga.ieee.org/awards>

Please contact me with any questions.

Best regards,
Nelson Lourenco
