### SECTIONS in Area 4

Broward	Canaveral	Daytona	Florida West Coast
Gainesville	Jacksonville	Melbourne	Miami
Northwest Florida	Orlando	Palm Beach	Tallahassee

### Notable events in Area 4

- Florida West Coast Senior Member Program has enabled R3 to not only meet but exceed their Senior Member elevation goal for 2021 by 72 elevations! The FWCS Senior member elevation program developed by Herman Amaya and Andrew Seely is clearly an example of a scalable best practice that should be shared throughout IEEE.
  - FWCS has another Sr Member elevation event scheduled for the 16<sup>th</sup> of October.
- Congratulations to USF Student Branch for their new event. USF Student Branch and University of Cape Town Student Branch, South Africa, held a joint event - *Artificial Intelligence & the Law*. A recording of this event can be viewed at: <https://ieeetv.ieee.org/video/artificial-intelligence-the-law>
- Area 4 has held 184 meetings as of 28-August.

Florida Council next meeting will be Saturday 16- October in Orlando.

Respectfully submitted,  
Claude Pitts  
Area 4 Representative
