

Region 3 Professional Activities Committee Report – December 2021

To: Region 3 ExCom

CC: Region 3 Committee

Fr: Jacquelyn D N Cunningham, Chair, Region 3 Professional Activities Committee

Date: December 23, 2021

The Region 3 Professional Activities Committee appreciated the opportunity to serve the 2020-2021 term and wish everyone many successes in the future.

The pandemic presented challenges to forward movement, yet, to the extent possible, many of you worked with the individual Professional Activities Committee members to brainstorm and to provide support in your respective areas.

The Region 3 Professional Activities Committee began 2021 with a final IEEE USA allocation of PACE Funds totaling \$17,891.23.

Throughout 2021, the Region 3 Professional Activities Committee received fourteen (14) inquiries for these PACE Funds, with potential spending totaling \$14,143.85. The requests were as follows:

- Eight (8) Sections made eleven (11) inquiries.
- Two (2) Councils made one inquiry each.
- The Region made one (1) inquiry.

As of December 15, 2021, Region 3 completed six (43%) of the fourteen inquiries, totaling \$4,419.88 (25%) of PACE funding. The completed projects were as follows:

- Four (50%) of the eight Sections completed five (45%) of the eleven inquiries.
- No Council (0%) completed inquiries.
- The Region completed one inquiry (100%).

To that end, Region 3 has a balance of \$13,471.35 in unused PACE funds.

The Committee hopes you will continue to bring great ideas into 2022, as we all hope for the pandemic to cease.

Respectfully submitted,
Jacquelyn D. N. Cunningham
Professional Activities Committee Chair
